# The London Gun Trade Shoot 2024

This summer, benchworkers downed tools for the day to join other members of the gun trade for a celebratory shoot day, hosted by Atkin Grant & Lang at their shooting ground in Herfordshire.

Held back in June, the day started with breakfast for the 14 teams, which included gunmakers Purdey, Holland & Holland, AGL, Boss & Co. and Gallyon, gunsmiths Ladbrook & Langton, and others in the trade such as Lyalvale Express and Holts. The teams then headed out onto the ground for a testing

50-bird Sporting round. Once this was complete, everyone headed to the 'grouse butt' to take part in a team flurry.

Congratulations to the Purdey B team who took home the 'benchworkers' trophy and Lyalvale Express who won the 'other trade' trophy.

The shoot raised £1,590 for charity, with funds from this year's event going to the Lymphoma Research Trust. FJ
